Grad Admission

Rutgers University

Subject: Request for Application Fee Waiver Consideration

Dear Concern,

I am writing to respectfully request your thorough consideration of a waiver for the application processing fee in your program. I kindly ask you to take into account the following circumstances.

My life has been a journey of resilience and determination, originating from a lower-middle-income family in Bangladesh. I encountered numerous challenges during my academic pursuits, facing dropout moments due to inadequate supervision and financial constraints. Despite these hurdles, the unwavering support of my family enabled me to complete my 12th grade, but the path forward remained uncertain without admission to a public university.

To sustain myself, I took up tutoring and resided in public halls, navigating the complexities of life and education. Tragically, my father's passing marked a pivotal moment at the end of my studies. Faced with the responsibility of supporting my family, I immediately joined a private job. Over three years, my efforts stabilized our family's financial situation.

Now, with a more stable foundation, I am planning to pursue higher studies, aiming for a PhD. My journey has taught me the value of perseverance, family support, and the ability to overcome adversity. I look forward to furthering my education and contributing to my country's progress, aspiring to attain a higher position in my career after completing my PhD.

I would like to inform you that I am from a low- and middle-income country named Bangladesh, where funding for our educational pursuits is limited. Having recently completed my master's degree, I have now embarked on a job, yet financial constraints persist. The application fee exceeds my monthly basic salary, rendering me unable to afford either the full or partial fee.

As you know, the application fee is considerably high, and I would greatly appreciate it if you could consider these circumstances thoughtfully. Granting a waiver would enable me to progress to the next stage of scrutiny without the burden of the application fee.

I express my sincere gratitude in advance for your understanding and consideration of this matter.

Thank you.

Sincerely,

Mohammad Nayeem Hasan
